

## Chateau Montelena Donation Policy

Chateau Montelena Winery takes great pride in their philanthropic efforts and is committed to continue supporting our local communities. Due to the small size and limited resources of our winery, it is not possible for us to embrace all of the many requests presented to us. If you would like to submit a request, please review the requirements below.

We wish you all the best with your charitable endeavors and we appreciate your interest in Chateau Montelena Winery.

### **Donation Guidelines:**

- Donation requests must be submitted at 30 days prior to the event
- Requests for cash will not be considered
- We will only consider donations within the state of California
- All requests must be typed on organization letterhead stating the nature of the request (i.e. auction item, wine for pouring, etc.) Provide the date, time, and location of event, the contact person for the organization and any appropriate supporting documentation.
- We ask the organizations limit their requests to one (1) per calendar year in order to help the greatest number of individuals
- The non-profit organization will be required to provide a copy of the one-day [ABC license](#) secured for that event which is required by the state of California.
